

The mission of Refuge of Light is to provide a safe haven, redemptive rescue and restoration for sexually exploited female youth through advocacy, awareness and holistic care.

A Hope for a Brighter Future

Refuge of Light is a faith-based organization committed to providing safe, shared housing for young females aging out of the foster care system and who are at risk of being homeless. The Supervised Independent Living program is designed to serve girls between the ages of 18-21 who have a history of, or who are at risk of becoming victims of commercial sexual exploitation.

The goal of the program is to promote complete independence while providing a strong support system and important wrap around services along the way. Refuge of Light seeks to give each resident hope for a brilliant and successful future!
